# About the brand

Lovely is a Polish makeup brand that has been accompanying women and girls in their daily beauty routines since 1995. Known for its affordable prices, unique colors, and original formulas, it has been bringing joy and positive emotions for years. Inspired by global trends, it encourages every girl to express herself through makeup.

Lovely cosmetics offer a wide range of colors, soothing scents, and textures that stimulate the senses. Among its bestsellers are the Pump Up mascara, which effectively lifts and curls the lashes; the Camouflage foundation and concealer, which cover what needs to be covered while allowing you to feel good in your own skin; the H2O lip glosses that give lips a new dimension; and a wide selection of eyeshadow palettes that let you create both soft and more expressive looks. Every Lovely product is a small ritual that helps you feel beautiful, special, and cared for through life's little pleasures.

Makeup with Lovely is more than just color on your lips or eyelids — it's a way to express your personality and celebrate moments that belong only to you. Every woman deserves to feel beautiful and accepted — Lovely understands these needs and helps fulfill them with cosmetics that gently embrace and inspire self-care through makeup. We focus on sensory experiences, adorable packaging, and formulas that ensure every day starts with a dose of positive emotion.

Lovely invites you to celebrate your femininity in a charming and delightful way. Every makeup moment with Lovely is a small pleasure — and a step toward being kind to yourself.

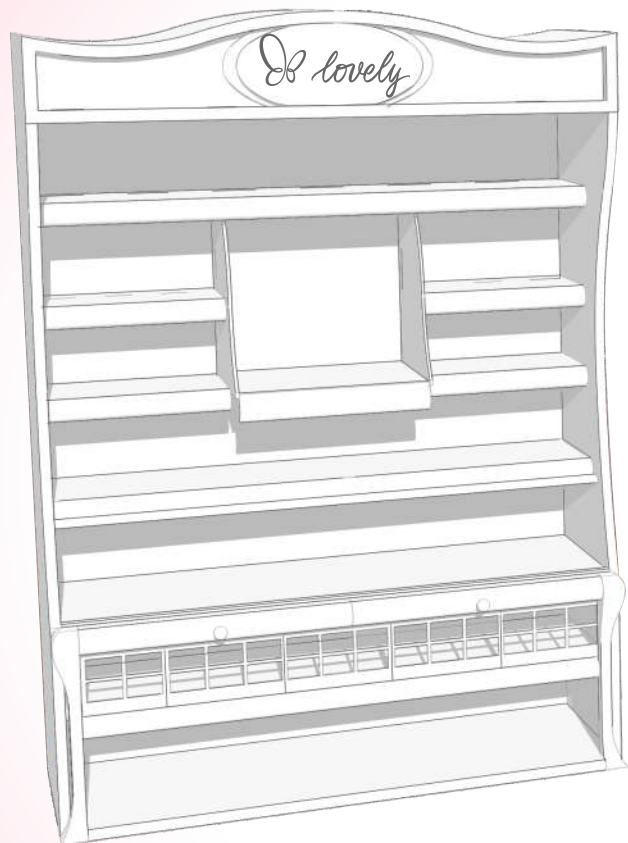

**Lovely brand is created by passionate  
and demanding teenage girls.**

## SWEET 'N JUICY

tinted gloss

A high-shine lip gloss that leaves a tint after removal. The lightweight, non-sticky formula enriched with coconut oil nourishes the lips, leaving them feeling smooth. Just one layer creates a mirror-like glow that visually plumps the lips and adds a sensual finish. Thanks to the coconut oil content, the product doesn't dry out the lips but protects them from external factors.

# Healing Hearts

## CALMING PIMPLE PATCHES

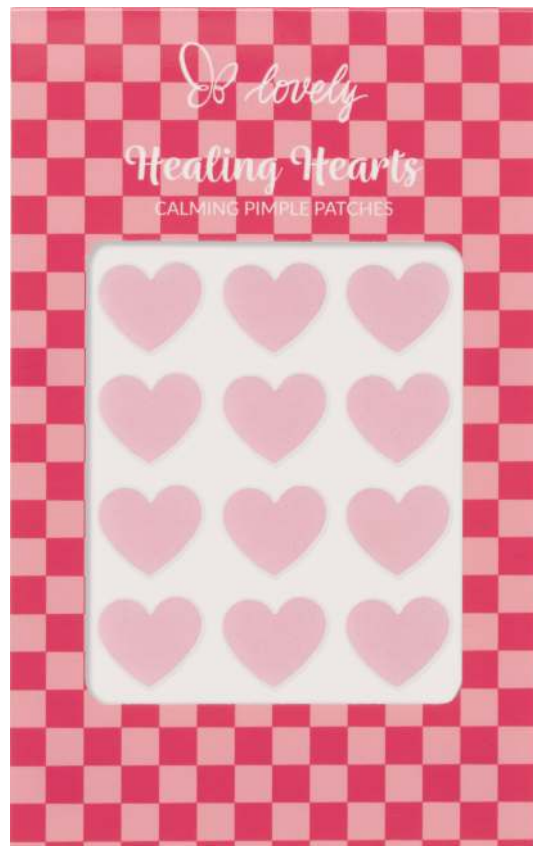

Self-adhesive heart-shaped blemish patches made from advanced hydrogel, which creates a protective barrier supporting the skin's natural healing process. They help maintain an environment conducive to regeneration while minimizing contact with bacteria and impurities—give your blemishes a little love and support in their recovery.

How to use:

1. After cleansing your face and hands, sanitize the blemish with saline and peel the patch off the backing.
2. Apply the patch directly onto the blemish and gently press it down.
3. Leave it on overnight, then remove the patch. Repeat steps if necessary.

The product contains 12 single-use patches.
